Social event, Thursday

The social event includes a visit to **Christiania** which is a self-declared "freetown" based on the ideals of communal living arising from the hippie movement in the 70's. Christiania is the home to around 750 people with an alternative life style, but it has also become one of the largest tourist attractions in Copenhagen. Dinner will be held at one of the most prominent restaurants in Christiania called "**Spiseloppen**".
